There are many terms and abbreviations that you are going to hear from wedding professionals that may leave you scratching your head, wondering what the heck they mean? Wedding professionals use these terms on a daily basis and may forget that you may have no idea what the heck a MOB is, and no we don't mean like an angry mob or are we trying to incorporate the mafia somehow. I have created a list of some common terms that you may hear as you plan your wedding. Please feel free to print this cheatsheet and add it to your Wedding Planning Binder for you to reference back to if you find yourself confused by a term you come across.
